ROOM 5500  
60 EAST 42ND STREET  
NEW YORK 17, N. Y.

January 24, 1957

Mr. Henri Temianka  
2961 Motor Avenue  
Los Angeles, California

Dear Henri:

I can understand how you remembered the date of my birthday, but I cannot figure out how you knew that I was 38. I have tried to conceal the fact in the interests of my personal dignity. You were very kind to think of me, I was much touched and cheered that you remembered the day.

Emmy's day is much more important. I gather that you missed the 17th. When are we going to hear from you? We eagerly await your bulletin.

We send you all our love.

As ever yours,

*Bob*
